

No Smoking/Vaping

Policy statement

We comply with health and safety regulations and the Safeguarding and Welfare Requirements of the Early Years Foundation Stage in making our setting a no-smoking and no vaping environment - both indoors and outdoors.

Procedures

- All staff, parents and volunteers are made aware of our No-Smoking & No Vaping Policy.
- We display no-smoking and no vaping signs.
- The No-smoking/No Vaping Policy is stated in our information for parents.
- We actively encourage no-smoking/no vaping by having information for parents and staff about where to get help to stop smoking if they are seeking this information.
- Staff who smoke/vape do not do so during working hours, unless on a break and off the premises.
- Staff who smoke/vape during their break make every effort to reduce the effect of the odour and lingering effects of passive smoking for children and colleagues.
