

## SUPPORTING CHILDREN WITH SPECIAL EDUCATIONAL NEEDS AND DISABILITIES

## **Policy statement**

We provide an environment in which all children, including those with special educational needs (SEND), are supported to reach their full potential.

- We have regard for the Special Educational Needs and Disability Code of Practice (2015).
- We ensure our provision is inclusive to all children with special educational needs.
- We support parents and children with special educational needs.
- We identify the specific needs of children with special educational needs through interactions and observations. We meet those needs through a range of SEN strategies.
- We work in partnership with parents and other agencies in meeting individual children's needs.
- We monitor and review our policy, practice and provision and, if necessary, make adjustments.

## **Procedures**

- We designate a member of staff to be the Special Educational Needs and Disability Co-ordinator (SENCO)
  and give her name to parents. Our SENCO is: Susan Salter
- We ensure that the provision for children with special educational needs and disabilities is the responsibility of all members of the setting.
- We ensure that our inclusive admissions practice ensures equality of access and opportunity.
- We use the graduated response system for identifying, assessing and responding to children's special educational needs.
- We work closely with the parents of children with special educational needs and disabilities to create and maintain a positive partnership. We communicate with parents to gather their thoughts and input to ensure their voice is heard when considering a plan of action for their child.
- We ensure that parents are informed at all stages of the assessment, planning, provision and review of their children's education.
- We provide parents with information on sources of independent advice and support, for example, by signposting them to the Hertfordshire Local Offer.
- We liaise with other professionals involved with children with special educational needs and their families,
  including in connection with transfer arrangements to other settings and schools.
- We provide a broad, balanced and differentiated curriculum for all children with special educational needs.
- We use a system of planning, implementing, monitoring, evaluating and reviewing individual Education,
  Health and Care Plans (EHCP) for children with special educational needs and disabilities.

St Michael's Pre-school

- We ensure that children with special educational needs are appropriately involved at all stages of the graduated response, giving a child a voice, either through observations, knowing the child or through conversations and interactions, taking into account their ability.
- We have systems in place for supporting children during the Early Support stage.
- We have systems in place for working with other agencies in implementing Education, Health and Care plans.
- We use a system for keeping records of the assessment, planning, provision and review for children with special educational needs.
- We provide resources (human and financial) to implement our Supporting Children with Special Educational Needs and Disability Policy.
- We provide in-service training for parents, practitioners and volunteers.
- We raise awareness of any specialism the setting has to offer, e.g. Makaton trained staff.
- We ensure the effectiveness of our special educational needs and disabilities provision by collecting information from a range of sources e.g. EHCP reviews, staff and management meetings, parental and external agency's views, inspections and complaints. This information is collated, evaluated and reviewed annually.
- We provide a complaints procedure.
- We monitor and review our policy annually.

This policy was adopted at a meeting of: St Michael's Pre-school
